Live Wedding and Event Painting

I paint with oil paint on canvas live at your event- starting up to 2 hours before the ceremony begins, as allowed by the venue, and painting through the reception. I take every painting home to do touch ups and final adjustments in the studio, so you get an heirloom quality piece of art for your home. Oil paint takes a few weeks to fully dry and finished paintings will be hand delivered or shipped if necessary within 6 weeks of the event date.

I am available for events at venues within a 3 hour drive of Manhattan, and for events worldwide for additional travel fees.
